❖ **Mission Statement:** We will never forget those less fortunate and those in hospice care. We vow to deliver gifts and food stuffs for as long as we are physically able.

❖ **Our foundation has been in existence since 1995**

❖ **100% of our donated products and monies go to helping others**

❖ **We are fully funded by private donations from friends, family, and local businesses as well as our own financial & time investments.**

❖ **Caring people open their homes & hearts to gather together in hand-making knot blankets, and assembling gloves, hats, scarves, and gift bags filled with goodies and anything we can collect.**

❖ **We also seek non-perishable food donations & frozen turkeys that we provide to these homes & needy families in Los Angeles and Orange Counties.**

❖ **We personally deliver to each hospice resident because ...**

♥♥♥♥ One has just so many opportunities in life to extend a simple act of kindness
